

## **March Surf Club Sites**

### **Submitted by Marcia Lane**

#### **FunBrain**

<http://www.funbrain.com/cgi-bin/getskill.cgi?A1=gba&A2=6>

FunBrain.com provides links to a variety of learning activities.

#### **FunSchool**

<http://www.funschool.com/>

FunSchool provides grade level activities including board games and printable worksheets. Be sure to scroll down to the Teacher Basement and check out the teacher features.

#### **Kinderhive**

<http://www.kinderhive.net/techgames.html>

Kinderhive provides online games for kindergartners. Great with SmartBoard!

#### **LearningPlanet.com**

<http://www.learningplanet.com/>

Another fun site with activities by grade level and subject area.

#### **Teacher Scholastic**

<http://teacher.scholastic.com/clifford1/index.htm>

This is a direct link to Teacher Scholastic's Clifford the Big Red Dog. Students may choose to read a book, or play a game.

### **Submitted by Judy Shepherd**

#### **NumberTime**

<http://www.bbc.co.uk/schools/numbertime/games/index.shtml>

This site from "across the pond" provides more interactive learning games, songs and worksheets.

#### **Gigglepotz.com**

[www.gigglepotz.com/](http://www.gigglepotz.com/)

Gigglepotz.com offers teachers, students and parents the best downloadable resources on the Web. For a one-time payment of \$14.95 you will have access to many exciting resources for your classroom!

### **Submitted by Leigh Hughes and Spring Davis**

#### **Seussville.com**

[www.seussville.com](http://www.seussville.com)

If you are a fan of Dr. Seuss, then you have got to try this site. Very cute and interactive...again great for SmartBoard use.

#### **Waterloo Library**

[www.wplwloo.lib.ia.us/kids.html](http://www.wplwloo.lib.ia.us/kids.html)

This is a link to the kids page of the Waterloo/Cedar Falls Iowa public library site. It provides many more links to great learning sites and resources.

#### **MightyBook.com**

[www.mightybook.com](http://www.mightybook.com)

**MightyBook** is a magical place where books come to life with animated pictures and stories that are read out loud. There are even animated story songs. And it's all very affordably priced.
