Marion Elementary School Mission Statement

It is the mission of Marion Elementary School to provide a challenging curriculum in a safe environment conducive to learning while meeting the diverse needs and interests of ALL students. We will teach our students the academic, social, technological, and problem-solving skills needed to be productive citizens in the ever-changing world.

Thank you so much for supporting Marion Elementary and our children by saving boxtops , soup labels, and drink tabs.

During the holidays, I worked at trimming, counting, and sorting our boxtops to get them ready to send in as soon as we returned to school. I am VERY HAPPY to report that you have saved 10,061 boxtops in just one semester! That is awesome!!! I mailed the boxtops this morning and we will be receiving a check for \$1,061 in the mail. We usually use this first check to buy games for each classroom so that the students have things to do on rainy days when they can't go out for recess. DON'T QUIT!!! We have already started saving boxtops for the second semester.

I will now start counting and trimming the soup labels to get them ready for mailing. We don't receive money for these, but we have a book we can order science and math materials.

The drink tabs we collect are in a very large jar in the foyer at Marion Elementary. A volunteer will deliver these to St. Jude to help them in their programs.

Thank you so very much for your concern and support for our students at Marion Elementary!

Second Grade Highlights

Mrs. Horton's class was very busy in December. We were doing our class work and preparing for the Christmas program. Before we went home for the holidays we talked about New Year Resolutions. Here are a few things the children had on their minds. I want to....

Antonio...do better in school.

Xavier...get 100 points in AR.

Chris...read more in AR.

Jacob...be good in class so I can make Honor Roll.

Kaylea...read more in AR.

Conner...be good in school

MarKerion...be good at school.

Elizabeth...do good on all my tests.

Natalie...read more.

Dantavious...make the Honor Roll.

Jailen...make 100 points in AR

Alexandria...do a good thing to help people every week.

Cassidy... make all A's in school.

Tyler...get good notes sent home and be good to my classmates.

Alyssa...help my mom with my baby sister.

Haley...make A's and B's in school and help with the dishes.

Luke...make good grades and get 100 points in AR.

Ella... help my mom more.

Deyton...help take care of my little sister.

Joshua...make hundreds on chapter books in AR

Haley...pay attention in class and do my best.

Joseph...help keep the world clean.

DeMariel...not fuss at my mommy and daddy.

Third Grade Highlights

Ms. Hunter's class talked about things they want to improve upon in the new year. Each student was asked to make a resolution and here are the results.

I want to....

Charlie...get better at AR.

Adrianna...get better at doing my work in class.

Naderrica...keep my AR points up.

Samantha...earn more AR points.

James...get better at taking tests and at football.

Amanda...write better and listen and follow directions better.

Jackson...have good behavior.

Desiree...write faster and do the laundry better.

Ryan...get better at reading, spelling, and be a neater writer.

Lucious...act better at school and make more A's and B's.

Abigail...get better at math.

Hunter...get better at reading and cleaning my room.

Jon...get better at reading in AR to earn more points and at football.

Jayden...get better at taking chunk test.

Cytavious...get 100 points in AR, do good at school, and to make my mom and Ms. Hunter happy.

Kaiya T....write better in school and learn to make cookies.

Jasmyne...get better at spelling and at art.

Jacobi...make better grades.

Kaiya W....do better at math and at cleaning my room.

Donnie...get more AR points and not play in class.

Makhayla...make more AR points and make an A on a chunk test.
